

Welcome to our Tea Rooms!

Featuring "Just Delicious Scones"

Just Delicious Scones started after a trip overseas and my wish to bring the "Taste of Europe" home and share it with loved ones.

I debuted my scones in 1994 at Cup-a-cino, my first coffee shop, and started Just Delicious Scones shortly afterward.

These scones quickly became family favorites for all special occasions, cherished by all generations, young and old alike.

I opened Roseville's Royal Treat Tea Room in 2010, The Pink House Tea Room in New Baltimore in 2020, and Just Delicious Scones Retail Gift Shop in St. Clair Shores in 2022.

Our cherished guests, family, and friends have gifted us priceless family heirlooms and beautiful China from all over the world. Come and sip a little history in our tea rooms. I hope you enjoy your visit!

Did You Know...

The ritual of "Tea Time" originated in the 1840s when Anna, the Dutchess of Bedford, was tired of feeling peckish in the afternoon and ordered her servants to bring her tea and sweet breads, which included scones! Today, tea time is firmly entrenched as a national British custom.

- Tea is the second most-consumed drink in the world after water.
- The earliest reference to scones was a Scottish poem from 1513.
- Herbal tea is not actually tea, but instead made from flowers, fruits, and herbs.
